

PICKTON HOUSE

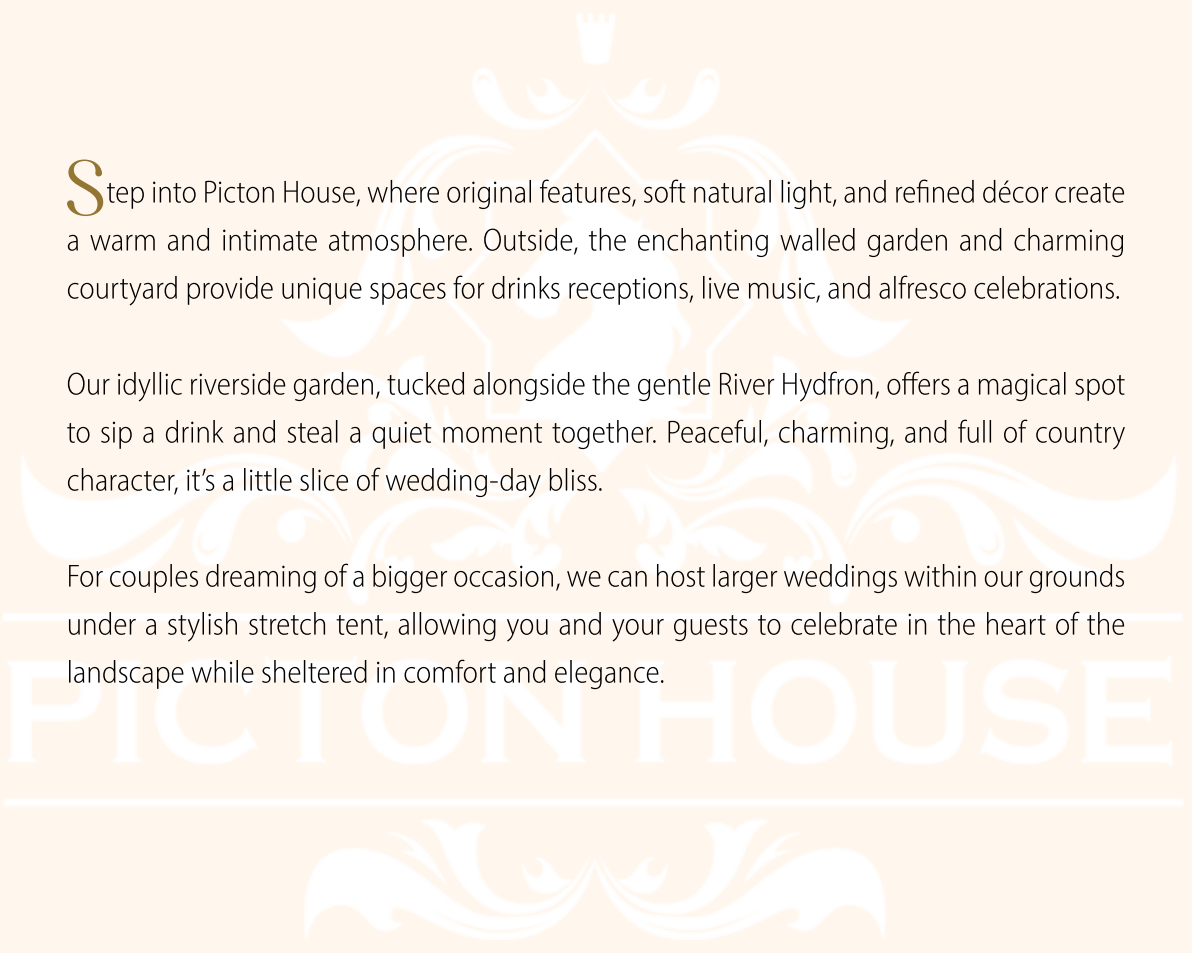

The Venue

Nestled in the charming village of Llanddowror, Picton House is a beautifully restored historic property with roots stretching back over two centuries. Once a coaching inn, welcoming travellers along the old Carmarthen–Tenby route, the house now opens its doors to couples seeking an unforgettable setting for their special day.

Surrounded by 20 acres of peaceful Welsh countryside, Picton House offers a truly romantic backdrop, combining timeless character with elegant, contemporary comfort. Rolling fields, mature trees, and vibrant seasonal gardens create endless opportunities for stunning photography and unforgettable moments.
